

Model X-1

ENVIRONMENTAL PROTECTION AGENCY

40 CFR part 272

[FRL]

[Insert State name]: Incorporation by Reference of Approved State Hazardous Waste Management Program *[use same title as immediate final rule]*

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The EPA proposes to codify in part 272 of Title 40 of the Code of Federal Regulations (CFR) *[insert name of State]*'s authorized hazardous waste program *[or insert a description of the revisions being incorporated by reference (e.g. the Non-HSWA, HSWA and RCRA Clusters) if previously codified]*. EPA will incorporate by reference into the CFR those provisions of the State statutes and regulations that are authorized and federally enforceable. In the "Rules and Regulations" section of this **Federal Register**, the EPA is codifying and incorporating by reference the State's hazardous waste program as an immediate final rule without prior proposal because EPA views this action as noncontroversial and anticipates no adverse comments. The Agency has explained the reasons for this codification and incorporation by reference in the preamble to the immediate final rule. If EPA does not receive adverse written

comments, the immediate final rule will become effective and the Agency will not take further action on this proposal. If EPA receives adverse written comments, EPA will withdraw the immediate final rule and it will not take effect. EPA will then address public comments in a later final rule based on this proposal. EPA may not provide further opportunity for comment. Any parties interested in commenting on this action must do so at this time.

DATES: Written comments must be received on or before *[insert date at least 30 days after the date of publication in the FR]*.

ADDRESSES: Mail written comments to *[insert name, address and telephone number of the appropriate Regional Contact]*.

FOR FURTHER INFORMATION CONTACT: *[insert name of appropriate Regional Contact]* at the above address and phone number.

SUPPLEMENTARY INFORMATION: For additional information, please see the immediate final rule published in the “Rules and Regulations” section of this **Federal Register**.
